The Shooting Federation of Canada (SFC) announces the winners of *The Canadian Junior National Air Gun Championships*

Ottawa, ONTARIO. April 4, 2024. The SFC is pleased to announce the winners of *The 2024 Canadian Junior National Air Gun Championships*. This was the third Junior National Championships and second *remote championship* with multiple matches held simultaneously across Canada. This year saw a record number of attendees and host venues. The event was a great success bringing junior athletes, coaches, officials, technical experts and parents together. The organizer of each provincial match was the respective Provincial and Territorial Sport Organization (PTSO) for shooting in each participating province. The event was coordinated by SFC. There were more mixed teams entered and this year saw the introduction of new category of *non-ISSF* (non-Olympic, pump-action) rifles was introduced and this proved very popular by junior men and women. Next year the event will be held in Saskatoon, Saskatchewan on March 27-30, 2025 when junior athletes from through Canada will gather at the Saskatoon Wildlife Federation range.

The 2024 Winners are as follows:

ABOUT

The SFC Canadian Junior National Air Gun Championships are held across Canada in even numbered years, and matches are held simultaneously in all provinces & territories. Any junior athlete can participate. In-person Championships are held in pre-selected province or territory every odd year. In 2025 the Championships will be held in Saskatoon, Saskatchewan on March 27-30. Next year SFC hopes to see even more provinces participate.

The Shooting Federation of Canada (SFC) is the National Sport Organization and the national sport governing body responsible for the promotion, development and governance of organized, recreational, and competitive target shooting in Canada.
