2025 NATIONAL MATCHES

Results of the 2025 Canadian Smallbore Rifle Championships

Cookstown, Ontario August 1-7, 2025

The 2025 National Matches were held at the range built for the 2015 Pan-Am Games. All events were fired on the electronic targets except for the Hunting Rifle event, which were fired on paper.

We had great weather the entire week of these championships. No rain, warm to hot temperatures. Entries were up in total to about 80 competitors.

For the first time in many years we held a Sporting Rifle 3-Position match. The numbers were down overall in Sporting Rifle and Hunting Rifle, possible due to the fact that the match program was not out till late May, early June. Attendance for ISSF events were up. ISSF Prone was a little lower in numbers but for the first time in years, ISSF 3-Position attendance was almost to range capacity with 21 competitors.

We thank the SFC for looking after all of the registrations online and for making new award medals available to our winners. All were impressed with the new medal design.

Special thanks go to all of the officials, Megalink operators and range staff who took the time to make this match the success it was. Without the hard work of all our volunteers, this match would not be possible.
